O R D E R

Whether the meter installed for the purpose of measuring the consumption of water is the property of the consumer or the Kerala Water Authority is the question. This Court has taken the view in the judgment sought to be reviewed that the meter is of the consumer. If there is any grievance regarding the judgment, the remedy open to the petitioners is to pursue the same in appeal and not in the review petition. Therefore, without prejudice to the liberty to the petitioners to pursue the matter in appeal, this Review Petition is dismissed.
